You can economize on your Spring clothes

YOU'RE interested in that subject we know; because everyone likes the results of economy --- the money saved. You don't always like the sacrifices that go with "economizing."

The nice thing about clothes economy is the fact that you don't have to "sacrifice." You buy better clothes; that's the answer --- then you let the clothes do the economizing. All-wool wears longer; you don't have to buy so often: that saves for you.

We carry everything in haberdashery.

Manhattan Shirts, ties, socks, collars, underwear, oxfords, hats, etc.

Our line is up-to-date. Our prices are right.
